# How to Run the Multimedia Modules
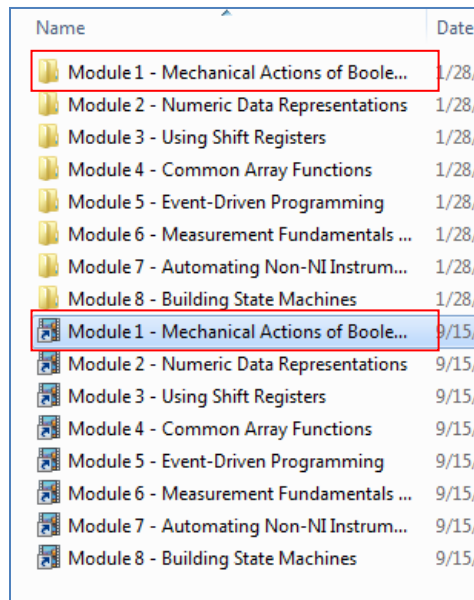

1. Navigate to <Exercises>\Multimedia:

2. For each Module, there are two items:
    a. The folder: "Module 1 – Mechanical Actions of Boolean Controls"

    This contains the source material.
    b. The .lnk file: "Module 1 - Mechanical Actions of Boolean Controls.lnk"

3. Now you can click the **.lnk** file and it will launch in your web browser.

    Module 1 - Mechanical Actions of Boole...   9/15/

    You may need to install Adobe Flash. Depending on your monitor resolution, you may also need to zoom out within the web browser (hold **ctrl** and press either + or – to zoom).
